Work Experience

Trainee full stack web developer
Aroopa Technologies Pvt Ltd
September 2023 to May 2024
I worked on a product called Aroopa Apps, specifically in the Integration section. I built an authentication(OAuth) framework and created several microservices for Integration.

Intern
Aroopa Technologies Pvt Ltd
March 2023 to September 2023
I learned business analytics with Power BI (basics) and Web development, I have applied web development basics in a product-based project called Aroopa Apps starting from the second month of Internship.

Volunteer Work & Certification

Zen Class Full Stack Development Bootcamp(MERN)
GUVI
